Seasoned Cyclists:

You should be on the bike and ready to ride 5 minutes before the class starts. If you must come in late, please enter quietly and warm up on your own so as not to disrupt the class.

Reserving Bikes:

Each rider is allowed to reserve **1 bike only** by placing a towel on it prior to the start of class. If you are not on the bike at the scheduled start time of the class the bike will be open to any waiting riders.

New Students:

Newcomers are welcome to attend any class on the schedule. *You should arrive 10 minutes early* for bike orientation. Late arrivals will NOT receive personal bike set-up assistance from the instructor.

You may experience the following:

- Sore buttocks- we recommend wearing bike shorts or using a gel seat to minimize discomfort.
- Sore calves/feet- make sure toe strap is secure but not too tight and your feet are not jammed into the toe cage. Remember to wiggle the toes occasionally. Hard soled or cycling specific shoes are recommended. Be sure to pull up on the pedals with the heels down as well.
- Numb hands- Keep the upper body relaxed and a light grip on the handlebars.
- Dehydration-a water bottle is a must! You should consume 40 oz. of water before, during, and after class.

Please note:

*Please refrain from wearing any strong perfumes, oils or colognes.

**Keep in mind Group Cycling is NOT a competition.
It's YOUR ride- make it a fun one!**
