

JCC GROUP FITNESS & AQUATICS CLASS SCHEDULE

Effective MAY 1, 2025

Group Fitness Classes are included in all paid memberships & some insurance memberships. Classes with the **(I)** indicate that insurance members have access to these classes at no extra cost.

Insurance members can upgrade their membership to include ALL classes for \$33/month.

Classes with **(R)** indicate that registration is required due to limited space in class.

Fitness classes that do not require registration are on a first come first serve basis.

Family Activities
Lap + Family Pools
Youth Recreation
Theatre, Music, and More

Alignment Yoga *Low intensity:* Modifications and props are used to adjust and adapt poses for all body types and skill levels.

Gentle Yoga *Low intensity:* Experience deep relaxation and gentle movement using basic yoga postures to build strength and flexibility. This class moves at a slower pace to encourage gentle stretching and the use of props for support. This is a good option for those with mobility restrictions or recovering from injury.

Hatha Yoga *Low intensity:* This class is an all-levels practice incorporating breath, body, and mind. Attention to foundational and alignment principles with poses that offer an engaging yet mindful full-body experience.

Vinyasa Yoga *Low to moderate intensity:* A class that challenges both beginners and advanced students alike, with a thoughtful arrangement of poses. This class offers proper modifications for beginners and options for advanced students.

Power Core Flow Yoga *Moderate intensity:* This class focuses on deep core and upper body work, increasing flexibility, strength and mental clarity through a challenging and mindful practice.

Pilates focuses on strength, stability, posture, proper breath control, and flexibility. Designed to strengthen your core, lengthen and balance your body.

Mindful Movement a gentle, intentional practice that focuses on connecting deeply with your body through movement, using breath awareness to cultivate present moment focus, promoting relaxation, flexibility, and increased body awareness, suitable for all levels and abilities, with modifications offered as needed.

Cycling a high-energy workout that simulates outdoor cycling by varying resistance levels on a stationary bike to mimic different terrains like hills, flats, and sprints.

Cardio Step *Moderate to high intensity:* Improve your fitness, agility, coordination and strength with using a step bench. Can be either high or low impact. All levels are welcome.

Guided Stretching *Low intensity:* This full body stretching class will take you through movements focused primarily on tight muscles. Foam rollers, and other various props will be utilized.

LIT *Low to moderate intensity:* This low-impact circuit training class will give you an invigorating, full-body strength workout. A variety of equipment is used

Sculpt & Stretch *Moderate intensity:* This TRX suspension workout uses body weight to develop strength, balance, flexibility, and core stability simultaneously. Class will end with guided stretching.

Silver Sneakers Classic *Low intensity:* A variety of exercises designed for the senior adult to increase strength, range of movement, and activity for daily living. Uses hand weights, resistance bands, and a ball. The class remains seated for the majority of the class.

Silver Sneakers Yoga *Low intensity:* Move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance, and range of movement.

Silver & Fit Experience *Low to moderate intensity:* This class is designed to increase and challenge flexibility, joint stability, dynamic balance, coordination, strength, and cardiovascular endurance. Class is done standing, with a chair.

Active Agers Body Conditioning *Low to moderate intensity:* This class is geared towards moderately active older adults and is designed to increase muscular strength and cardiovascular endurance, while working on flexibility, joint stability, dynamic balance and coordination.

Upbeat Barre *Moderate intensity:* This is a muscular-endurance HIIT barre class. Cardio, strength, Pilates, and yoga, are combined with popular music to create an accessible, fun,

BodyPump *Moderate to high intensity:* The original barbell and weight class. Squat, press, curl, and lift your way to a new you. Please arrive 10 minutes early to set up.

HIIT *High intensity* Interval training incorporates short periods of intense anaerobic exercises, followed by short periods of recovery, delivering maximum results in less time.

HIGH Fitness a modern version of aerobics, which combines HIIT training and plyometric movements.

Zumba *Moderate to high intensity:* Dance your way through a good sweat! Infused with Latin, hip hop and international influences.

Nia Dance *Low intensity:* An inspired barefoot dance style workout for body and soul. The class uses simple steps and free dance to create a fun and uplifting workout.

WerQ *Moderate to High intensity:* A wildly addictive cardio dance workout based on the hottest pop and hip-hop music.

Aqua Aerobics *Moderate intensity:* Gain strength and flexibility simultaneously working on your cardiovascular system.

Aqua Body Strong – Water Fitness Board *Moderate Intensity:* Focus on your balance and stability with our stand-up paddle boards. Activate your core strength and fire up major muscle groups.

Aqua Cardio & Strength *Low to moderate intensity:* This uniquely blended class will include strength training, agility, cardio, and deep gentle stretching all in one.

Aqua Zumba *Moderate intensity:* Water aerobics to Latin dance beats.

HydroRider *Moderate intensity:* Spin your wheels in the water in this aqua cycling class. Aqua shoes required.

TRX Power Hour *Moderate Intensity:* A dynamic full body workout that utilizes a variety of equipment including TRX, weights & more.

Stability & Balance *Low Intensity:* Focuses on exercises that enhance core strength, improve posture, and increase overall balance and coordination with static and dynamic stretching, balance training, and functional movements.
