

# Going to JFest at the JCC

It's time to go Jfest at the JCC. I will see a lot of people, and will say "hello" to my friends.

I will participate in craft activities.

The zipline is an activity I will watch unless I have permission from an adult to participate. I can have fun in the bounce house.

There will be music playing under the tent. I can sing along or dance to the music. If it's too loud I will use my headphones.

There will be lots of Kosher foods to eat. Yum!

The petting zoo is one of my favorite activities.

Before I leave I will say “goodbye” to my friends.

I will get in the car and buckle my seatbelt. It's time to go home.
